

FORWARD-LOOKING INFORMATION

This presentation contains forward-looking information about the Company's business outlook, objectives, plans, strategic priorities and other information that is not historical fact. A statement contains forward-looking information when the Company uses what it knows and expects today, to make a statement about the future. Statements containing forward-looking information may include words such as: will, could, should, believe, expect, anticipate, intend, forecast, annualized, projection, target, outlook, opportunity, risk or strategy. Readers are cautioned that actual results may vary from the forward-looking information in this presentation, and undue reliance should not be placed on such forward-looking information. Risk factors that could cause actual results to differ materially from the forward-looking information in this presentation, are described in Interfor's annual Management's Discussion & Analysis under the heading "Risks and Uncertainties", which is available on www.interfor.com and under Interfor's profile on www.sedar.com. Material factors and assumptions used to develop the forward-looking information in this presentation, include volatility in the selling prices for lumber, logs and wood chips; the Company's ability to compete on a global basis; the availability and cost of log supply; natural or man-made disasters; currency exchange rates; changes in government regulations; the availability of the Company's allowable annual cut ("AAC"); claims by and treaty settlements with Indigenous peoples; the Company's ability to export its products; the softwood lumber dispute between Canada and the U.S.; stumpage fees payable to the Province of British Columbia ("B.C."); environmental impacts of the Company's operations; labour disruptions; and cyber-security measures. Unless otherwise indicated, the forward-looking information in this presentation is based on the Company's expectations at the date of this presentation. Interfor undertakes no obligation to update such forward-looking information, except as required by law.
